FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator**, the **Office of Prosecution Services**, the **Office of the Attorney General**, and the **Office of the State Public Defender** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **Department of Corrections (DOC)** stated that the criminal conduct outlined in this proposal is strictly prohibited in department procedure. The DOC cannot predict the number of new commitments in the future which could result from the creation of the offense outlined in this proposal; however, it is assumed the fiscal impact would be minimal and could be absorbed within existing resources.
